

The Extended Essay (EE)

The extended essay is an independent and self-directed piece of research that all students conduct through an in-depth study of a question relating to one of the DP subjects, which culminates in a 4,000-word paper. As a required IB component, it provides a practical preparation for the kinds of undergraduate research required at the university level.

Grade	Date of Question	Important questions for students and parents to ask about EE
11	Week of Oct. 24 th	What two subjects are you considering to do for your EE? What is your rationale for those? Did you read the subject specific guidelines to make sure your selection and potential research question is in alignment? If you are considering one of the sciences, did you have your sit-down meeting yet with forms filled in?
11	Nov. 4 th	Did you submit your Topic of Interest form to Mrs. Yeokum by 2:11 pm today?
11	w/o Nov. 14 th	Did you sign-up to meet with your EE supervisor November 28 – December 7 th ?
11	Dec. 7 th	Did you meet with your supervisor for conference #1? Show me your to-do list that must be completed before your next meeting? How do you plan on accomplishing these tasks with your current school workload, CAS, and home responsibilities? Tell me specifically how you plan to create and maintain your Research Reflection Space (RRS).
