

## Extended Essay Final Research Question Proposal Form

Student Name (print): \_\_\_\_\_

EE Supervisor Name: \_\_\_\_\_ Subject of EE: \_\_\_\_\_

### STUDENTS: FILL OUT THIS SECTION:

Using your previous brainstorming, propose your finalized EE research question in the space below:

Please list all IA topics in this subject matter: \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

### Proposed Question (fill this in prior to your interview):

\*\*\*Actual (at conclusion of this interview, you and your supervisor should place this on Managebac):

**In proposing this topic, I understand that the IBO considers using any portion of a current or future IA for my extended essay or submitting an EE without proper footnoting and documentation to be a case of academic misconduct. By signing below, I acknowledge that I am fully aware of the consequences of any case of academic misconduct and the possible ramifications of such a violation, including the school's refusal to submit my extended essay, rewriting either the plagiarized IA or EE, or even forfeiture of my IB diploma.**

**Student Signature:** \_\_\_\_\_ **Date:** \_\_\_\_\_

### SUPERVISORS: FILL OUT THIS SECTION:

1. Does the above question... (Circle all that apply...at least one of the following should be a "YES" answer):

YES/NO Define a problem or offer a possible solution to a problem?

YES/NO Discuss the current state of an issue or problem and suggest/predict how it can be resolved?

YES/NO Offer a new perspective on an issue or problem?

YES/NO Theorize or propose how a situation should be changed or viewed differently?

YES/NO Compare or contrast (to some end or for some purpose)?

YES/NO Offer ideas as to how something has been influenced to be the way that it is/was?

YES/NO Conduct a lab experiment within the school under the direct guidance of a science teacher?

YES/NO Offer the opportunity to contribute intellectual insight to the literary/scientific/other community?

2. Is the question appropriate/answerable for a 3,500-4,000-word essay? YES/NO

3. Does the question fit the parameters required of the subject-specific guide? YES/NO

Please circle: I APPROVE/REQUEST READJUSTMENT of the above research question for this student's EE.
